Choosing a Password:

Do you have an inside joke?

What is a line from a TV show, movie or greeting card that makes you both laugh?

What is a memory of a challenging day, but when you tell the story to others, it makes you all laugh?

Is there a book or song title that captures your love or marriage?

Three items that create a great password

1. Connected to a good memory
2. Makes you laugh-(humor helps!)
3. Agree upon your password
